# LBX

---

Lexus has a proud history of pushing boundaries and challenging the status quo. Since its founding in 1989, it has repeatedly pioneered new thinking and new products that have changed people's perceptions and reshaped the luxury car market

The all-new hybrid LBX is the smallest Lexus yet, but fully deserving of its status as a landmark model, one which breaks down the traditional luxury hierarchy. LBX stands for Lexus Breakthrough Crossover, a compact SUV that embraces contemporary ideas in design and technology while maintaining the distinguishing Lexus qualities of the luxury craftsmanship and Omotenashi hospitality.

## LBX ESSENTIAL PACKS

### TRUNK LINER

Tailored to fit the trunk of your vehicle and provide protection against dirt and spills. The design features a special anti-slip surface pattern to help stop luggage moving.

### FRONT & REAR MUD GUARDS

Lexus Mudguards are especially shaped to fit the wheel arches of your vehicle. They help maintain the vehicle exterior by protecting against excessive dirt, mud spray and flying stone chips.

## LBX ADVENTURE PACKS

### BIKE HOLDER

Wheels fit into a molded profile, allowing the bicycle to free stand in and upright position. This means you can use both hands when securing the wheels and the frame.

### ALLUMINIUM ROOF BARS

The Lexus Roof Rack is tailor-made to add an extra dimension of carrying capacity to your vehicle. It is easy to install, fully lockable and has a smooth aerodynamic profile that minimises wind noise.

## LBX HOLIDAY PACKS

### LEXUS ROOF BOX

A high-capacity aerodynamic design that's ideal for holidays. It opens from both sides, has multi-point central locking

### ALLUMINIUM ROOF BARS

The Lexus Roof Rack is tailor-made to add an extra dimension of carrying capacity to your vehicle. It is easy to install, fully lockable and has a smooth aerodynamic profile that minimises wind noise.

# MANUFACTURER'S WARRANTY

---

For peace of mind Lexus manufacturer's warranty ensures that every trip runs smoothly with:

### Manufacturer Warranty

- 3yrs/100,000km - Manufacturers Warranty
- 5yrs/100,000km - All Hybrid Components
- 12yrs/unlimited mileage - Corrosion Perforation

### Hybrid Warranty

- 5yrs/100,000km - All Hybrid Components (Including Hybrid Battery)
- Up to 15yrs/unlimited mileage Hybrid Battery Extended Care once serviced with a Lexus Dealer

### Lexus Assistance

If you ever need help, Lexus Assistance is there for you, whenever you need breakdown cover in Ireland or Europe. Euro Assistance 24 offers Lexus roadside assistance 24 hours a day, seven days a week and 52 weeks a year.

- Arrange Hotel Accommodation in an Emergency
- Should You Be Unable to Drive
- Organise Roadside Assistance if Necessary

Call [1800 200 862](tel:1800200862) in Ireland or [+353 16193641](tel:+35316193641) from abroad.

For further warranty details or recovery services contact your local Lexus Dealer.

LEXUS

# LEXUS RELAX

Lexus Relax is a testament to the confidence we place in the quality of our vehicles. After your manufacturer's warranty finishes, you can still feel complete peace of mind, with 12 months OR 15,000km warranty when you service with us. So you can rest assured that your car is in safe hands—with expert technicians, who only use genuine parts. So your Lexus stays 100% Lexus.

Once your service is due, all you need to do is bring your Lexus in for a service and your Lexus Relax warranty will be renewed until your next service is due—up to 10 years vehicle age or 185,000km (whichever comes first).

LEXUS

# LEXUS LINK CONNECTED SERVICES

Driving in a Lexus has never been better and with Lexus Link Connected Services the experience becomes even smoother, so you're always comfortable and in control, no matter where your drive takes you.

# DISCOVER HYBRID

Lexus has pioneered Hybrid technology for more than 25 years. Our Hybrid cars are enjoyed by millions of drivers on the road today. Lexus's latest fifth-generation Hybrids combine an electric motor and a petrol engine in one best-of-both-worlds powertrain, delivering impressive performance and driving range.

## Why Hybrid?

### Refuel as usual

Refuelling a Hybrid car is easy. Top up your Lexus Hybrid with petrol at a filling station, as you would a conventional car.

### Responsive and efficient

Lexus Hybrids seamlessly combine petrol and electric power to optimise efficiency and deliver smooth, responsive power. They drive much like a conventional car but can cover up to 42% of your driving distance and 56% of your driving time in electric-only EV modes.

### No Plugging In

Lexus Hybrids charge their batteries while braking and coasting. Together with their onboard combustion engine, this means you don't need to worry about electric range, and no need to plug in your car to charge.
