

COROLLA

LIFE UPGRADED

If our lives are always reaching for the next level, shouldn't our car? The Hybrid Electric Corolla, with its fluid connectivity and live Over-The-Air updates, is ready for the moments that make life special. Dynamic, digital and highly efficient, it is driving upgraded.

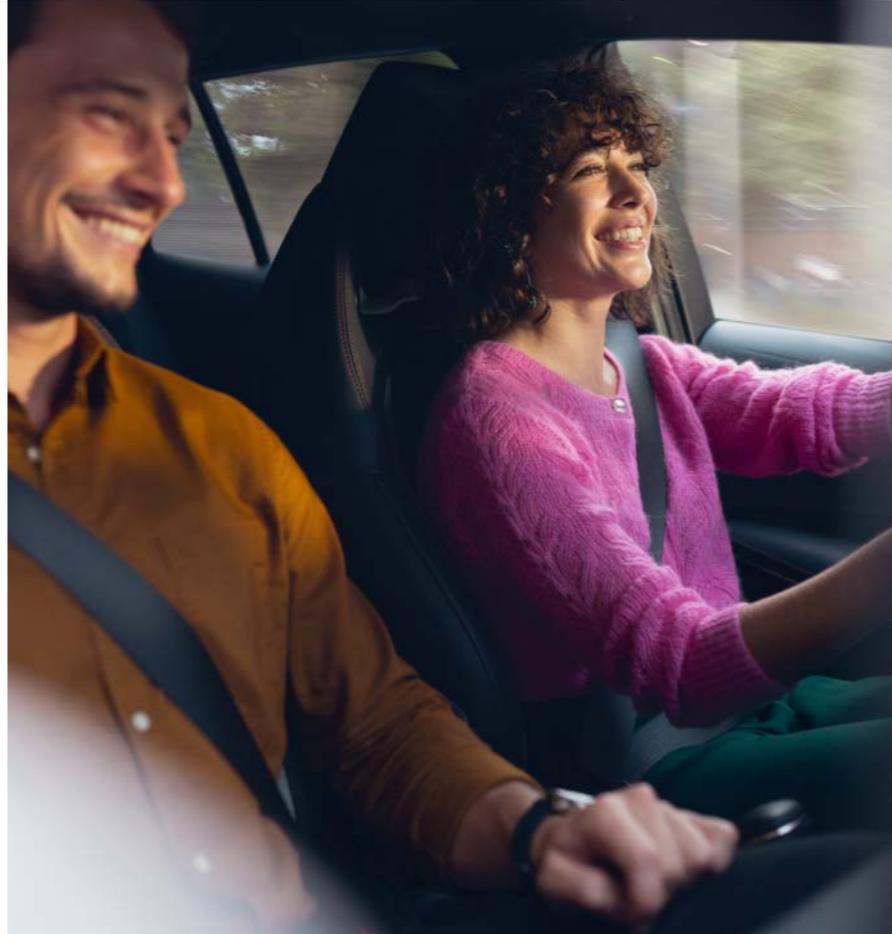

Corolla Touring Sports is not available to the UK market in bi-tone.

INTELLIGENT HYBRID ELECTRIC POWER

The new Corolla builds on Toyota's rich legacy of innovation and technical excellence to deliver an efficient driving experience. Its fifth-generation Hybrid Electric powertrain is quieter, more compact and more responsive than ever, with low emissions and strong torque for effortless acceleration. Intuitive to use, with Normal, Eco and Power drive modes, it blends the tireless performance of a petrol engine with clean and powerful electric drive. Self-charging for outstanding convenience, the Hybrid Electric Corolla also offers a full electric mode.

INTUITIVE DRIVING DYNAMICS

A joy to drive, the new Corolla's refined handling upgrades every journey with complete comfort and driver confidence. Ride comfort is outstanding, for easy progress on every type of road and on every kind of journey. The Corolla also benefits from an immensely rigid body structure, a direct steering system and tuned suspension front and rear, for an intuitive connection between car and driver. Turn the steering wheel and the Corolla's responses are instant and natural, putting you firmly in control.

USER-FRIENDLY HANDLING

Key to the Corolla's dynamic driving experience is its low centre of gravity, which assures an agile, responsive drive.

Corolla Touring Sports is not available to the UK market in bi-tone.

STYLE YOU CAN'T IGNORE

The Corolla is dynamic and sophisticated under the skin and so its breathtaking exterior design reflects those values. The beautiful profile, enhanced by sporty 18" alloy wheels*, features a low bonnet and a sweeping, aerodynamic roofline. The front and rear views reveal the car's purposeful stance, emphasised by the wide, powerful grille and striking bi-LED headlights*. Underlining the Corolla's elegant sportiness is a range of stunning alloy wheel designs and a vast palette of fresh body colour options. Keen to make an impression? The GR SPORT Corolla references Toyota's motorsport expertise and outstanding range of sports cars in its unique and thrilling design details.

*Grade dependent.

THE FUSION OF FORM AND FUNCTION

The Corolla's progressive rear lights design and sleek bodywork are both functional and stylish.

COMFORT AND TECHNOLOGY IN HARMONY

The Corolla's interior artfully blends high technology with a calm and comforting ambience. Spacious and practical, with storage areas throughout, the Corolla's dual-zone climate control and heated seats make for outstanding comfort whatever the weather. The interior's confident, uncluttered design is accentuated by ambient lighting and a range of striking interior trims. Deep, rich tones and bold 3D effects to lighter shades highlight the Corolla's innate sophistication*.

*Specification varies according to grade.

INSPIRED BY MOTORSPORT

The GR SPORT finish introduces unique seats with embossed headrest logos and a powerful colour palette inspired by Toyota's motorsport heritage.

ALWAYS UPGRADED

At the heart of the Corolla is a slick and intuitive digital experience made futureproof by live Over-The-Air updates. Powerful, fast and packed with features to help you stay ahead, Toyota Smart Connect+ offers an instant wireless connection, next-gen wireless phone charging and Apple CarPlay and Android Auto™ compatibility. A high-definition touchscreen fluidly integrates your digital and driving lives, while the Corolla's clear and innovative 12.3" digital combimeter puts you firmly in control. Driver-centric and visually stunning, it can be personalised with your preferred layout and one of four different design themes – your information, your way.

EFFORTLESS CONTROL

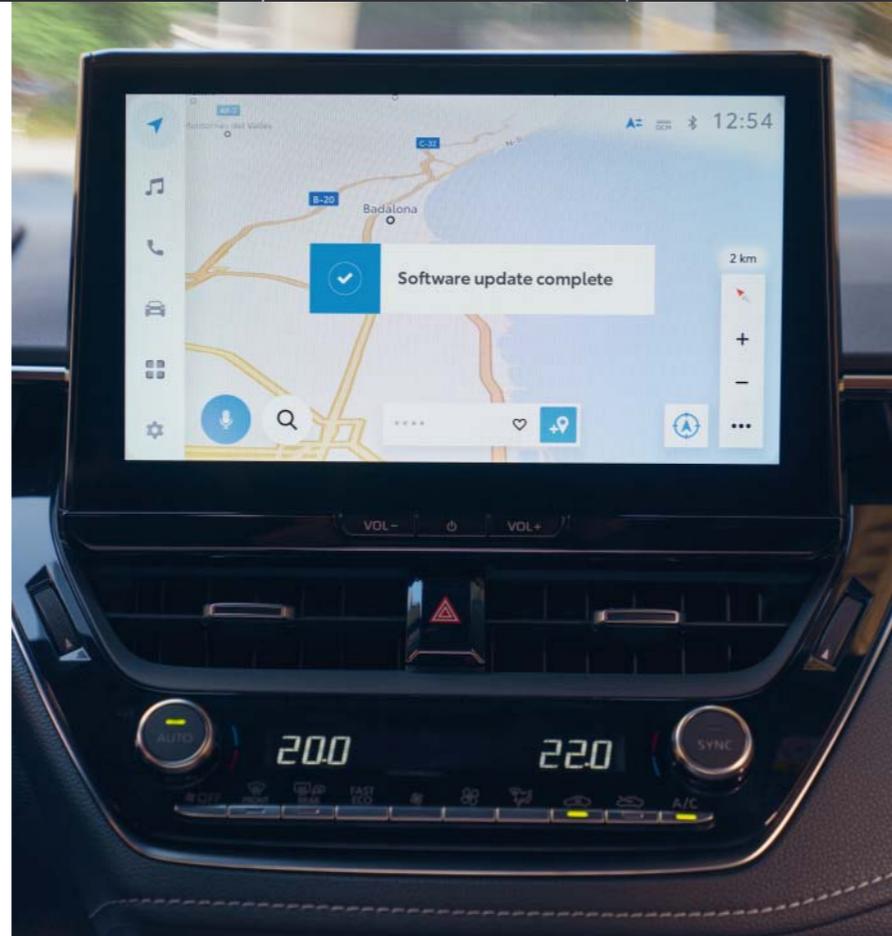

The Corolla puts powerful digital connectivity at your fingertips with its 10.5" multimedia screen and easy interface.

Apple CarPlay is a trademark of Apple Inc.

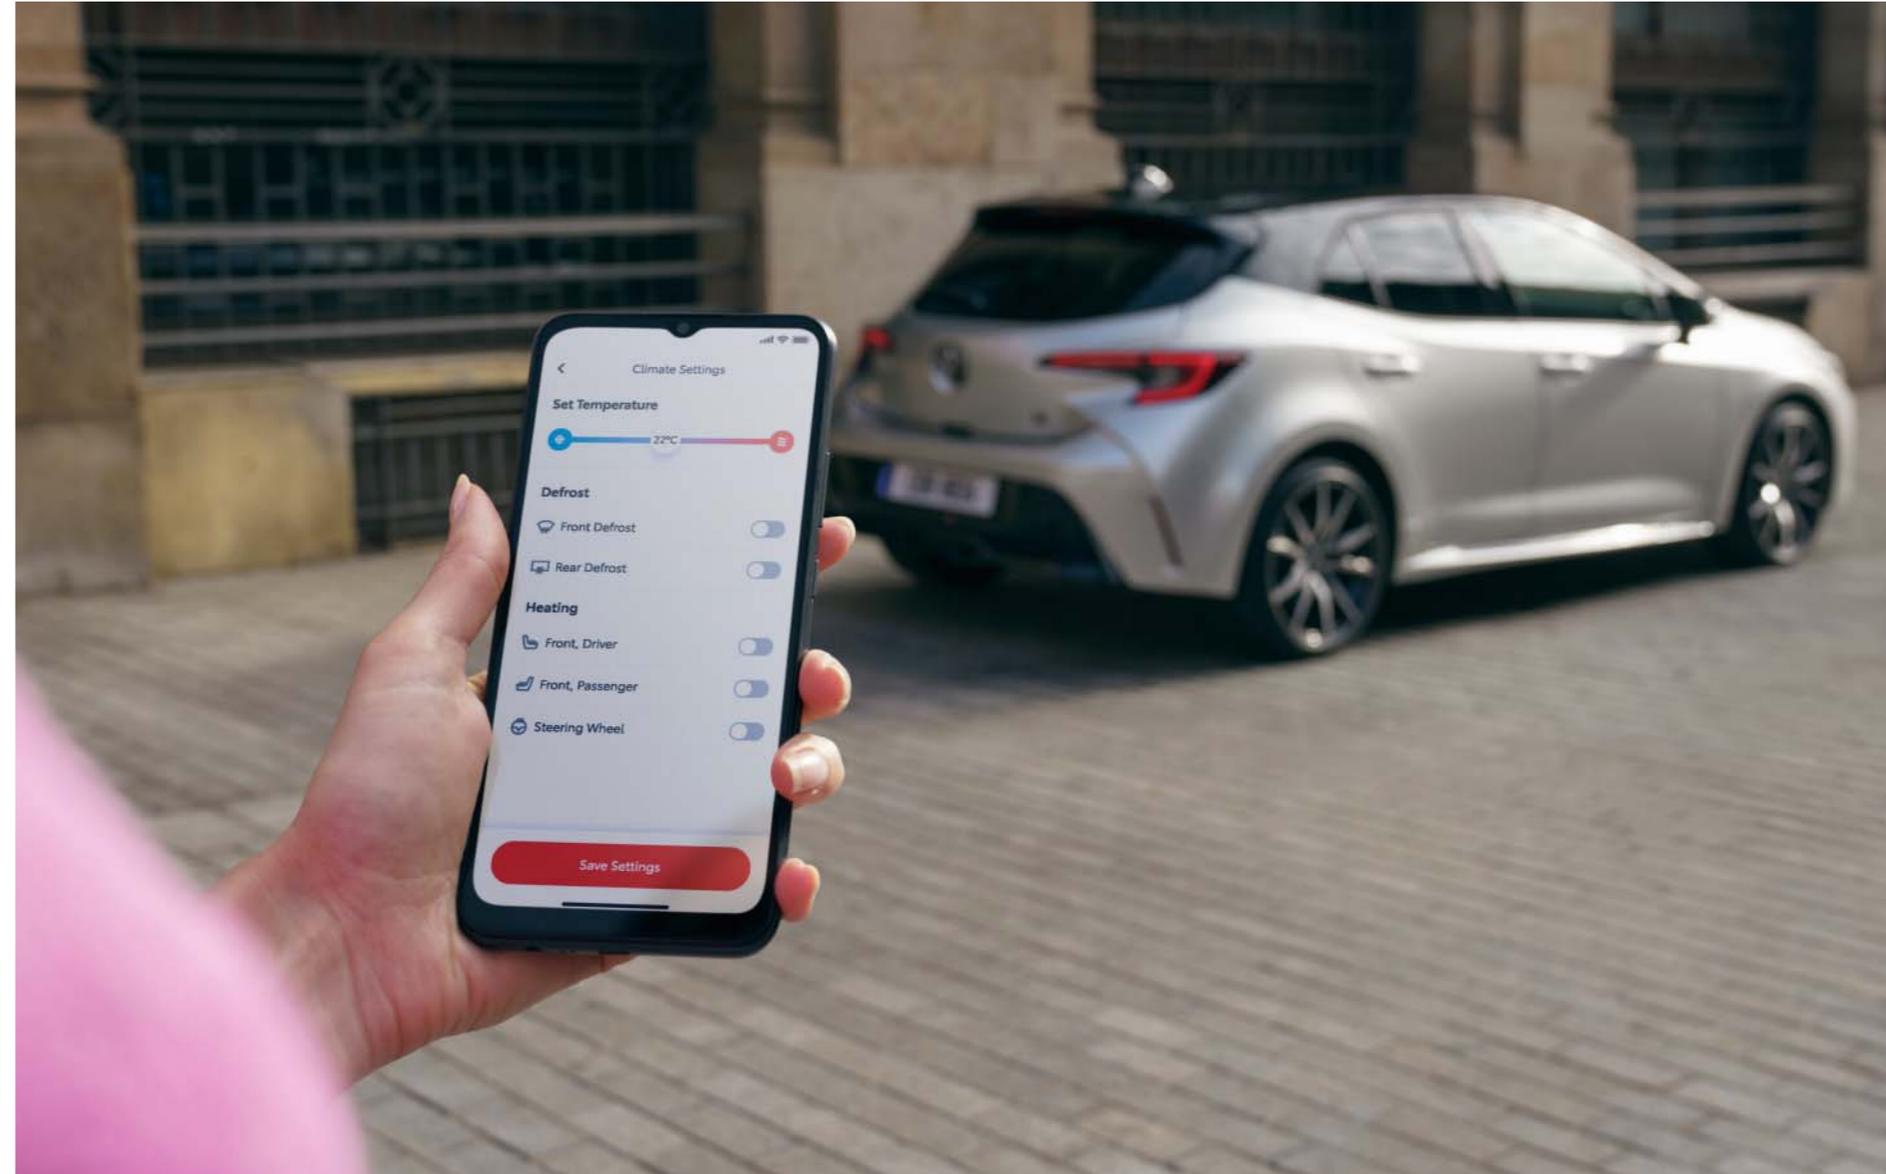

SEAMLESS CONNECTIVITY WITH MyT

The MyT app offers a number of innovative safety and convenience features to make every journey easier. Find My Car helps you locate your parked car and share its location with others. MyT also helps you lower your fuel consumption via the Hybrid Coaching function, which analyses your driving data to maximise efficiency. The app's range of remote services includes a remote locking and unlocking function and the ability to pre-set the climate control from the comfort of your home.

CONSTANTLY UPGRADING

With live Over-The-Air updates, your Toyota can take advantage of the latest technology as it becomes available, constantly improving its digital functionality.

**ROOM FOR IT ALL**

Living life to the full rarely means travelling light. The Corolla's vast boot has all the luggage capacity you could wish for.

THE SPACE TO GROW

Active lifestyles and growing families both demand a car with the space and versatility to meet any challenge. Even with the whole family onboard, the Corolla Touring Sports offers a large and flexible load space ready to handle whatever life throws at you. Need more space? Simply drop the boot deck to its lower position or fold the rear seats flat with a single lever. Worried about getting the boot carpet wet and dirty? Flip it over for a rugged, dog-friendly resin finish. Have your hands full? Wave your foot and the hands-free kick sensor* will automatically open the boot for you.

* Grade dependent.

Corolla Touring Sports is not available to the UK market in bi-tone.

INNOVATIVE TOYOTA SAFETY SENSE FOR A SAFER JOURNEY

Corolla is built with a multitude of safety features, this includes the latest generation of Toyota Safety Sense with the possibility to update its features with Over-The-Air software updates. Additional features include Emergency Driving Stop System and Proactive Driving Assist, Deceleration Assist.

PRE-COLLISION SYSTEM (PCS)

Pre-Collision System can detect and help you avoid collisions with other vehicles, pedestrians, cyclists and motorbikes. It works by alerting the driver with audio and visual warnings and brake assistance. If the driver doesn't manage to brake in time the brakes automatically engage to prevent or mitigate a collision. Additionally, Intersection Collision Avoidance Support and Emergency Steering Assist support in the day when turning at junctions and making evasive maneuvers.

INTELLIGENT ADAPTIVE CRUISE CONTROL (iACC)

This system keeps you at a minimum pre-set distance from the vehicle in front. If this distance falls, the system reduces your speed and eventually the brakes will be applied and brake lights activated. intelligent Adaptive Cruise Control can bring the vehicle to a complete stop should the preceding vehicle stop ahead. A small input on the accelerator pedal or iACC switch will re-enable the system. The Corolla is also equipped with Road Sign Assist (RSA), this system will also recognize speed limits on your driving route and suggest any necessary adjustments.

EMERGENCY DRIVING STOP SYSTEM (EDSS)

If the system detects no driver input for some time, audible warnings will alert the driver. If no further inputs are detected, EDSS brings the vehicle to a gradual stop while keeping it safely in lane. Hazard lights are activated to warn other road users, and doors are unlocked to allow emergency services easy access if required.

PROACTIVE DRIVING ASSIST, DECELERATION ASSIST (DA)

This system supports smooth deceleration when the accelerator pedal is released, when approaching a curve or a preceding car.

OVER-THE-AIR (OTA) SOFTWARE UPDATES

OTA software updates ensure Toyota Safety Sense (TSS) is up to date with latest features and improvements.

WATCHING OUT FOR YOU

Life is busy and full of distractions. To help, the Corolla's innovative driving and parking assist systems are always alert. New Safe Exit Assist* helps prevent accidents by monitoring other road users approaching from the rear. It triggers warnings if, for example, a passing cyclist is detected just as you reach to open your door. Other innovative features include Blind Spot Monitor*, for increased vigilance in busy traffic, and Rear Seat Reminder System. It detects when the rear doors were opened at the beginning of a journey, perhaps to load an item, and reminds you to take it with you as you leave the car.

*Grade dependent.

REAR SEAT REMINDER SYSTEM (RSRS)

This system alerts the driver if a passenger or object is left on the rear seat when leaving the car. The alerts will include: a warning in the cockpit meter and, subject to model, after locking the car, also hazard lamp and an audible buzzer will activate.

SAFE EXIT ASSIST (SEA)*

This system uses the Blind Spot Monitor radar to help prevent a collision between an occupant's opened door and a vehicle or cyclist approaching from behind. If there is a risk of a collision, indicators illuminate on the outer mirrors and multi-information display, together with an audible buzzer to alert occupants.

Corolla Touring Sports is not available to the UK market in bi-tone.

ICON GRADE

Icon grade brings easy-care and comfortable interior fabrics, 10.5" high definition touchscreen and 12.3" combimeter as standard. Gloss black exterior details combine with 16" silver metallic alloy wheels and LED headlights for a clean, progressive style.

MAIN FEATURES

- 16" Silver metallic alloy wheels (5-double-spoke)
- Toyota Safety Sense with Over-The-Air updates
- 10.5" Toyota Smart Connect + multimedia system with wireless Smartphone integration incl. Apple CarPlay
- Toyota Smart Connect + with Navigation
- 12.3" digital combimeter (coloured with 3D effect)
- LED multi-reflector headlights
- LED front fog lamps
- Wireless mobile phone charger
- Smart entry & push button start
- Dual auto air conditioning
- Reversing camera
- Front & rear parking sensors with auto brake
- Heated door mirrors
- Heated fabric seats with driver's power lumbar support
- Remote services

OPTIONS

- Essential Protection Pack
- Protection+ Pack
- Style Pack (Black or Red)

ACCESSORIES

Designed for your Toyota, our genuine accessories are fitted by trained Toyota professionals and are of the highest quality. Our accessories packs include only genuine Toyota accessories and are produced to meet your needs. Genuine Toyota accessories are available to purchase from any Toyota dealer or our official eBay store, for full peace of mind a 12-month warranty is included.

STYLE PACK

The Corolla's lines are sporty and dynamic. The Chrome Pack is an ideal way to give those looks subtle yet unmistakable highlights.

REAR LOWER BOOT TRIM

The rear chrome trim adds a subtle touch of pure sophistication.

SIDE SILLS

These contoured chrome sills integrate smoothly into the sides of your car, creating a low and powerful profile.

FRONT TRIM

Eye-catching chrome detailing for your front bumper.

Images are not UK specification.

RED PACK

The Red Pack accessories add real visual flair to the Corolla's streamlined design.

FRONT BUMPER GARNISH

Add a little understated emphasis to your Corolla's grille and front bumper with this stylish red trim.

SIDE SILLS

This touch of black integrates seamlessly, underscoring the Corolla's smooth and stylish contours.

REAR UPPER TRUNK GARNISH

A subtle signature for your Toyota's boot, which adds a flourish of refinement.

ESSENTIAL PROTECTION PACK

The Corolla is a great looking car – and the Protection Pack will help keep it that way. Once fitted it prevents damage from low speed collisions and protects your Toyota against parking scrapes.

FRONT AND REAR MUDFLAPS*

Designed to minimise the spray of water, mud and stones onto your car's body. For the front and rear.

BOOTLINER

Tailored to fit the boot of your vehicle and provide protection against dirt and spills, the design features a special anti-slip surface pattern to help prevent luggage moving while driving.

REAR BUMPER PROTECTION PLATE

Designed to protect the rear bumper paintwork from scratches and scuffs when loading heavy or awkward items into the boot. It is also particularly effective for guarding the paintwork of the boot area.

*Mudflaps not available on GR SPORT Grade.

PROTECTION+ PACK

All the features available in the Essential Protection Pack plus tough rubber floor mats.

RUBBER FLOORMATS

Resistant, tailored and high quality. Our rubber floor mats will help to keep the inside of your Corolla nice and clean.

HOLIDAY PACK

Whether it's for luggage or sports equipment, you need all the extra storage space you can get when you go on holiday. The Holiday Pack has everything you need to make the most of your summer and winter breaks.

CROSS BARS AND TOYOTA ROOF BOX XL

The cross bars lock onto the rails and form a secure base for carrying a wide range of specialised attachments such as the Toyota Roof Box XL. This roof box is designed to exactly the right length, shape and capacity for luggage or winter sport accessories.

TABLET HOLDER

Slots neatly into the headrest docking station to create a stable base for using virtually any make of tablet. You can adjust it for tablet size, for portrait and landscape formats, and tilt the angle for viewing comfort.

Fuel Grade – recommended	95 or more (octane)	95 or more (octane)
Fuel tank capacity	43	43
Euro class	EURO 6 AP	EURO 6 AP
Sound Level Drive by (dB(A))	67	68

Figures are provided for comparative purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP), which replaces the New European Driving Cycle test procedure (NEDC). All CO₂ figures quoted are NEDC equivalent. All mpg figures quoted are WLTP figures.

OWNING YOUR COROLLA

Servicing your Toyota

Toyota Service Pricing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your vehicle based on the vehicle's age, mileage and service history.

For more information visit [toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance](https://www.toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance)

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit [toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance](https://www.toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance)

Toyota Price repairs

We offer transparent prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your vehicle will always be dealt with by a trained Toyota technician.

For more information visit [toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance](https://www.toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance)

MyT

Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join **MyT**. Packed with time-saving and convenient features, **MyT** ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to **My Rewards** where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit [toyota.co.uk/mytoyota](https://www.toyota.co.uk/mytoyota) or download the **MyT** app now available on iTunes and Android.

Toyota Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability.

For more information visit [toyota.co.uk/owners/parts-accessories/parts](https://www.toyota.co.uk/owners/parts-accessories/parts)

Toyota Roadside Assistance

When you buy a new Toyota you will automatically receive 12 months' Roadside Assistance in the UK and Europe, free of charge. After the first year you can renew this cover at £76 for 12 months or £135 for 24 months by calling 0344 701 6201 or visiting [toyota.co.uk/roadside-assistance/](https://www.toyota.co.uk/roadside-assistance/)

Get up to 10 years/100,000 miles Toyota Warranty*

Every new Toyota comes with a 3 year manufacturer warranty followed by a 12 months / 10,000 miles additional warranty, with every service.

For full details, please ask your official Toyota Centre or visit <https://www.toyota.co.uk/owners/toyota-warranty>

Corrosion Cover

The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

Toyota Business Centre

Our Toyota Business Centre network promise you same-day access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac).

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota.

For more information visit [toyota.co.uk/business-customers](https://www.toyota.co.uk/business-customers)

Toyota Motor Insurance

Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

Flexible Finance from Toyota Financial Services

All our plans offer easy budgeting and peace of mind, and **AccessToyota** brings these benefits together in one flexible package.

Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey, KT18 5UZ.

Finance subject to status to over 18s only. Indemnities may be required. Terms and conditions apply.

TFS is authorised and regulated by the Financial Conduct Authority.

* Terms and conditions apply.

Prices correct at time of going to print.

TOYOTA 2050 ENVIRONMENTAL CHALLENGE & LIFECYCLE POLICY

Announced in 2015, our global Environmental Challenge 2050 comprises of six challenges. They cover every aspect of our business, our exploration of new products and technologies, and our role as an enabler for individuals and communities to learn about and improve the natural world around them.

For more information regarding Toyota Environmental Challenge please visit: toyota.co.uk/world-of-toyota/environment/environmental-challenge-2050 or contact your local Toyota dealer.

CHALLENGE 1 NEW VEHICLE – ZERO CO₂ EMISSIONS

By 2050, we want to reduce the CO₂ emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

CHALLENGE 2 LIFE CYCLE – ZERO CO₂ EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle*.

CHALLENGE 3 PLANT – ZERO CO₂ EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

CHALLENGE 4 MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

CHALLENGE 5 ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Corolla is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'. We are pursuing full life cycle management for battery recovery & reuse and remanufacturing green parts.

CHALLENGE 6 ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

* Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

INSPIRING THE WORLD TO MOVE

Over 85 years of innovation have brought us our greatest mission yet: giving the freedom of movement to humankind. That's why Toyota is the Worldwide Official Mobility Partner of the International Olympic Committee and the International Paralympic Committee and proud partner of Team GB and Paralympics GB.

We are committed to making movement better for everyone, whether that be across a country, a city or across a room, because when you are free to move, anything is possible.

START YOUR IMPOSSIBLE

COROLLA LIFE UPGRADED

www.toyota.co.uk

While every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability, we ask that you contact your local Toyota Centre. Vehicle body colours may differ slightly from the printed images in this brochure.

Quoted mpg and CO₂: Figures are provided for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real-life driving results. Fuel consumption and CO₂ produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). All mpg and CO₂ figures quoted are full WLTP figures.

The official CO₂ figures for vehicles changed as from 6 April 2020, due to a change in the official method of calculation. CO₂ figures are used in the calculation of Vehicle Excise Duty (car tax) for new cars during their first year of registration. As a result, all CO₂ figures, car tax and 'on the road' prices for new vehicles, which were provided or displayed prior to 6 April 2020, may now have changed for vehicles which were not registered before that date. These dates may change; please visit www.vehicle-certification-agency.gov.uk/fcb/wltp.asp for the latest information.

Please contact your local Toyota Centre for further information.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.

© 2023 by Toyota Motor Europe NV/SA ('TME'). No part of this publication may in any way be reproduced without the prior written approval of Toyota (GB) PLC.
