PRODUCT GUIDE

Effective from January 2026

# COROLLA HATCHBACK

Toyota Corolla hatchback redefines the driving experience, taking innovation and excitement to a whole new level. Step inside the cockpit and embrace the advanced technology that puts you in control. The intuitive infotainment system seamlessly integrates with your smartphone, while the driver-centric cockpit provides a comfortable and connected experience.

Whether you're navigating city streets or cruising on open roads, the Corolla Hatchback delivers a seamless blend of performance and efficiency. Its 5th generation Hybrid powertrain ensures you can go further without compromising on power, while its advanced safety features provide peace of mind every kilometre.

# DISCOVER HYBRID

Toyota has pioneered Hybrid technology for more than 25 years. Our Hybrid cars are enjoyed by millions of drivers on the road today. Toyota's latest fifth-generation Hybrids combine an electric motor and a petrol engine in one best-of-both-worlds powertrain, delivering impressive performance and driving range.

## Why Hybrid?

### Refuel as usual

Refuelling a Hybrid car is easy. Top up your Toyota Hybrid with petrol at a filling station, as you would a conventional car.

### Responsive and efficient

Toyota Hybrids seamlessly combine petrol and electric power to optimise efficiency and deliver smooth, responsive power. They drive much like a conventional car but can cover up to 42% of your driving distance and 56% of your driving time in electric-only EV modes.

### No Plugging In

Toyota Hybrids charge their batteries while braking and coasting. Together with their onboard combustion engine, this means you don't need to worry about electric range, and no need to plug in your car to charge.

Scan the QR Code to learn more about Toyota Hybrid!

# ALWAYS ON THE GO, ALWAYS CONNECTED

The intelligent cockpit keeps everything in sync between your vehicle and smartphone. The MyToyota App, designed to enhance the driving experience, opens up a world of connectivity.

Depending on the model, the MyToyota App provides a suite of services that enable you to heat and cool your car using your smartphone, receive real-time updates, view trip history, and access to coaching features aimed at optimizing your driving performance, ensuring you get the most from your Toyota.

# TOYOTA SAFETY SENSE

Toyota Safety Sense features a set of five active technologies with the ultimate goal being to reduce traffic accidents as much as possible, helping to create a safer driving environment for everyone, while supporting you in your daily journey.

## Pre-Collision System

Recognizes a potential head-on impact and a wide range of objects in the car's path, including pedestrians, cyclists and motorcycles.

## Lane Departure Alert

The lane-centring function will alert the driver if the vehicle starts to deviate from its lane.

## Automatic High Beam

Designed to optimise visibility during night driving by automatically switching between high and low beam for oncoming vehicles and leading traffic.

## Road Sign Assist

Monitors the road signs ahead, displaying useful information such as the current speed limit.

## Adaptive Cruise Control

Drivers can choose their cruising speed at a pre-set distance from the vehicle in front. If this distance falls, the system will reduce its speed.

Call Toyota Eurocare on 1800-741-700 or from abroad +353 1 6193640

For further warranty details or recovery services contact your local Toyota Dealer.

# TOYOTA RELAX

Toyota Relax is a testament to the confidence we place in the quality of our vehicles. After your manufacturer's warranty finishes, you can still feel complete peace of mind, with a new 12 month or 15,000km Toyota Relax warranty if you service your vehicle with us. So you can rest assured that your car is in safe hands with expert technicians, who only use genuine parts. So your Toyota stays 100% Toyota.

If you choose to service with us, you are eligible for a new Toyota Relax warranty - up to 10 years vehicle age or 185,000km (whichever comes first) after the expiration of the manufacturer's warranty. See Toyota Website ([www.toyota.ie/relax](http://www.toyota.ie/relax)) for more details.
