4. CUSTOMER OBLIGATIONS

- 4.1 It is the Customer's obligation to arrange for the services to be carried out when due.
- (a) This obligation stands regardless of whether the payments made to date under the Agreement are sufficient to pay for the cost of the service.
 - (b) The Service Plan Plus Packages are designed to coincide as closely as possible to the manufacturer service schedule for your vehicle, so that in the vast majority of instances the balance of funds in the Service Plan Plus Package will be sufficient to cover the cost of Servicing or MOT* events when they become due.

In the event, however, of either of the following circumstances, the plan holder may be required to make an advance payment ("top up") to the plan before they can redeem a scheduled service if:

- I. The plan holder has failed to make any payments as set out in the payment schedule at the point of the redemption. Or
- II. The plan balance at the point of redemption is below £150

In either case, the value of the top up payment required is the difference between the RRP value of the service to be redeemed and the balance in the plan. Your Local Toyota Authorised Repairer is able to advise you of this amount.

- 4.2 For further information, the Customer should see the Vehicle's service handbook. In the event of an inconsistency between the terms of this Agreement and the service handbook regarding when a service is due, the service handbook takes precedence.

5. CHARGES AND PAYMENTS

- 5.1 The total payment made by You covers the services outlined in the relevant clause in clause 2 (clause 2.2, 2.3 or 2.4).
- 5.2 It is the responsibility of the Customer to ensure that all Direct Debit payments in relation to the Service Plan Plus Packages are settled as they fall due for payment
- 5.3 Failure by You to make payments as detailed in the Agreement will result in termination of this Agreement. For the avoidance of doubt, termination under clause 7 of this Agreement will result in all aspects of this plan listed in the product details, clause 2, to be terminated.

- 5.4 Any Direct Debit Payments due pursuant to the Direct Debit Scheme will be calculated using the current rates of VAT. If the rate of VAT should change, the Service Plan Provider will adjust the total payment and payments due pursuant to the Direct Debit Scheme and/or any Accelerated Payment to reflect the new rate of VAT. The Customer agrees to pay the adjusted payments.
- 5.5 Any additional work carried out and/or materials supplied by the Authorised Toyota Repairer which is not included in the relevant Service will be the responsibility of the Customer and will be payable on collection of the Vehicle unless the repair and/or materials supplied are covered by an active Toyota Warranty.
- 5.6 You will receive notice of any failed payment in writing from the Service Plan Provider.
- 5.7 Up to two times a year, You may ask the Service Plan Provider to change Your monthly repayment date by notifying them of the new date at least five business days before the change takes effect. The Service Plan Provider will change Your Direct Debit payment to the dates You choose.

6. CANCELLATION

- 6.1 To cancel this Agreement, written confirmation is required to the Service Plan Provider from either the Customer or an Authorised Representative of the Authorised Toyota Repairer or TGB.
- 6.2 If you wish to cancel this Agreement within 14 days of this Agreement (initial cancellation period) and prior to any services being provided, You will be refunded all monies paid including any Deposit Payment but excluding any Promotional Contribution.
- 6.3 If you wish to cancel this Agreement within 14 days and Services have been provided, You will be refunded the remaining Balance once the cost of the Service has been deducted. If the Balance is in deficit (i.e., less than zero) the Customer shall remain liable for the outstanding amount and shall make immediate payment to the Authorised Toyota Repairer of an amount to return the Balance to zero.
- 6.4 If You wish to cancel outside of the initial cancellation period, then termination shall be subject to payment of the cancellation fee, which ordinarily will be deducted from the Balance. Details of the amount of the cancellation fee are available at any time from the Service Plan Provider. Any Balance due to the Customer will be paid by the Service Plan Provider within 28 days.
- 6.5 In the event that the Balance is in deficit (i.e., less than zero) the Customer shall remain liable for the outstanding amount and shall make immediate payment of the amount to return the Balance to zero.

7. TERMINATION

- 7.1 Without affecting any other right or remedy available to it, either Party may terminate this Agreement with immediate effect by giving written notice to the other Party if the other Party commits a material breach of any term of this Agreement and (if such breach is remediable) fails to remedy that breach within a period of 7 days after being notified in writing to do so.

- (a) The Customer may transfer the Balance to a new Contract with TGB without an additional charge.
