

TOYOTACONNECT ONBOARDING GUIDE

How to connect ToyotaConnect multimedia to the MyToyota app

- MyToyota – Your Connected Driving Experience.
- Connect your vehicle with the MyToyota app and enjoy a smarter, safer, and more convenient drive.
- Stay informed, manage your services and vehicle, all from your smartphone.

WHY CONNECT?

	Real-time vehicle information (fuel/EV range, warnings, location...).		Enhanced security (lock/unlock, alerts, remote immobiliser...).
	Smart features & services (navigation, music streaming).		Everything in one place – your vehicle, your services, your account.

WHAT IS REQUIRED?

- Smartphone with iOS or Android.
- MyToyota app.
- Vehicle supporting connectivity.

GETTING THE APP AND TOYOTA ACCOUNT

MyToyota app

Download the MyToyota app from the App Store or Google Play and create your account.

Register **Connect** Personalise

Register **Connect** Personalise

A REGISTER THE PRIMARY USER

1. Turn ON the vehicle → welcome screen appears.
2. Tap “Create Profile” & scan MyToyota QR code.
3. You will be redirected to MyToyota app → Select “Use Multimedia Screen” (in “MyGarage”).
4. Scan the QR code shown on the multimedia screen.
5. The app connects automatically and links your vehicle.
6. Once confirmed, tap Continue.
7. Give your vehicle a nickname → Save Changes.

B CONNECT YOUR SERVICES & PROFILE

8. Select the Connected Services (in “MyGarage”) → tap Activate*.
9. Multimedia confirms your profile is linked.
10. Turn on “Automatically load saved driver profiles” to retain the last loaded driver’s profile the next time you start the vehicle.

*Multimedia screen will not automatically proceed to the next screen until connected services have been activated.

C PERSONALISE

Register **Connect** **Personalise**

After connecting your profile, you can personalise your in-car experience:

- Set your Home, Work, and Favourites destinations.
- Choose the voice of your Toyota Assistant.
- Learn simple voice commands and how they help you while driving.
- Review key ADAS safety features.
- Set up Drive Recorder and accept its terms & conditions.*

*Drive Recorder feature and its terms & conditions appear only if subscribed to Connect & Secure connected services bundle.
